COURSE REQUESTS

 **ONLINE LEARNING GRADUATION REQUIREMENT OPT-OUT FORM**

Students are required to earn two online learning credits to graduate from secondary school, beginning with every student who entered Grade 9 in the 2020-21 school year. The graduation requirement is intended to support students in developing literacy and conflict with working and learning in a fully online environment, as well as developing digital literacy and other important transferable skills that will help prepare them for success after graduation and in all aspects of their lives. For more information, please access the [Online Learning Graduation Requirement](#).

Please submit this form ONLY if you are choosing to opt out of the online learning requirement.

Online learning refers to any learning activity that is completed by students who are physically present with one another or with their teacher, but the learning activity is completed online. Please provide more information about online learning credits to the Ministry of Education. Please provide more information about online learning credits to the Ministry of Education. Please provide more information about online learning credits to the Ministry of Education.

There is no need to submit this form if you are choosing to opt out of the online learning requirement. This graduation requirement is intended to support students in developing literacy and conflict with working and learning in a fully online environment, as well as developing digital literacy and other important transferable skills that will help prepare them for success after graduation and in all aspects of their lives. For more information, please access the [Online Learning Graduation Requirement](#).

In order to be eligible to opt out of the online learning requirement, students must have been referred to the student's school. Parents/guardians may choose to opt out of their child from the mandatory online courses required for graduation. Students 18 years of age or older or students who are 16 or 17 years of age and have withdrawn from school control can also opt out of the graduation requirement. Students and parents/guardians can opt back in at any time. If you have opted out, you may not opt back in at a later date. Please note: Upon receipt, this form will be reviewed by the Ministry of Education.

I agree with the following statement:

☐ Having reviewed the online learning graduation requirement and the availability of supports for online learning through my child's school, I would like to opt my child/young person out of the requirement.
